WHAT IS MEG'S CHILDREN TRUST NEPAL?

Meg's Children Trust (Australia), in partnership with Siddhi Memorial Foundation (Nepal), supports the upbringing of vulnerable and at-risk children in Nepal. Our goal is to provide for their daily living needs and meet their right to education. These necessities, and the children's health and safety, are therefore enabled solely by funds raised through our trust, which is run by volunteers in the Albury-Wodonga district.

Contributions to Meg's Children Trust allow each child to feel valued and to have equal opportunities whilst in our care. Your donation directly supports them to grow, learn and achieve their ambitions. Any donation equal to or greater than \$240 per annum will allow the sponsor to be recognised under the following Sponsorship Recognition Levels.

TERTIARY EDUCATION SCHOLARSHIP FUND

The Tertiary Education Scholarship Fund provides loans to students to cover their necessary education fees and costs of living as they develop their careers through university or post-school studies. Their courses generally run over a period of 3-4 years.

Students apply to Meg's Children Trust for an education scholarship loan, which is considered by the committee for approval. Upon completing their studies and becoming employed, a portion of their loan is repaid at a sustainable rate. The total course costs are generally around \$3,500 per annum.

The opportunity to become a Tertiary Education Scholarship Fund sponsor is dependent on the number of students seeking a scholarship each year.

If you would like more information or are interested in sponsoring our Tertiary Education Scholarship Fund, please make contact with our committee.
