

What a year it has been...from extreme weather to tumultuous world events, 2022 has been a challenging one. Despite this, our generous Meg's supporters have continued to show their charity towards our children in Nepal, and for this we thank you most sincerely.

Over the last few years it has become increasingly difficult to host major fundraisers to help meet our budget, notably due to weather events & Covid restrictions. Thankfully, our hard-working committee has been creative in holding smaller fundraising events & opportunities this year, which has allowed us to continue our important work for our children in Nepal. Along with this, those who have pledged their support via the Sponsorship Program have helped improve the lives of our kids in so many ways. If you are interested in becoming a sponsor through this program, please contact us at megschildren@hotmail.com.au

We would like to wish each & every one of you a happy & safe Christmas, and thank you once again for your ongoing support!

Trish Ryan – Meg's Children founder

Merry Christmas and thank you for your ongoing interest & support! – from our Meg's kids in Nepal

For the first time in 3 years, 4 of our committee members will be heading over to Nepal to visit Noble House in Bhaktapur. The children in our care are definitely due for a visit, with Covid restrictions delaying our usual yearly trips since December 2019.

Trish, Kate W, Marie Lou & Ali are looking forward to meeting & catching up with the kids in late January 2023, and we are sure they will return with plenty of stories & updates to share with you!

Leisurely Lunch on the Lawn

A very wet October caused our most recent fundraising event to be postponed twice...but on Sunday 27th November the sun finally came out and made for a lovely day at our Leisurely Lunch on the Lawn. Chrissy, Gwen & Phil Lavis hosted guests in their stunning garden at Bungowannah for an afternoon of delicious home cooked food followed by guest speaker Kylie Durrant from Holbrook Landcare. Many thanks to our hard-working committee and our dedicated Meg's supporters for making this event a success!

CONGRATULATIONS RADHIKA!

Radhika recently graduated from Holmes Institute in Melbourne with a Masters of Accounting.

Radhika was one of the original members of the Meg's Children home since she was 6 years old until graduating with a Bachelor of Business in Nepal. Now she has been able to pursue this postgraduate degree in Australia independently.

Well done Radhika!
